The first strategy of competition is to understand the mind of the opponent so that one can take advantage of weaknesses and avoid strengths. One begins to see the world with the mind, heart and eyes of another. Our spiritual growth is one of taking on the mind of Jesus. By imitating Him, we imitate the Father. And by imitating the Father, we see the world as He does. It is the way of faith. We defeat evil by imitating the winning team. It is a strategy that cannot fail, no matter how stiff the competition.
